

### **Directions For Use:**

1. Mix hair color solution following manufacturer's instructions.
2. Pour solution into bottle provided, and screw on the "Roots Only" applicator.
3. Although "Roots Only" is virtually mess free, it's a good idea to place a towel over your shoulders.
4. Run a comb through your hair to remove any tangles.
5. Using "Roots Only" as you would a comb, comb through your hair while squeezing the bottle. Be sure to keep the teeth of the comb in contact with your scalp.
6. If you hit a tangle, simply stop squeezing the bottle and use the applicator head as a comb to remove the tangle.
7. The solution stops flowing when you stop squeezing. Once the tangle is gone, reposition the "Roots Only" applicator and resume.
8. Follow manufacturer's instructions for processing time.

### **To Clean "ROOTS ONLY" Applicator:**

1. Fill the "Roots Only" bottle with warm soapy water, and screw on the applicator.
2. Shake and squeeze water through applicator until water flow is clean and free of hair color solution.
